

Declaration And Power of Attorney For Patent Application

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,
I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

ENVIRONMENTAL CONTROL SYSTEM

the specification of which was submitted to the USPTO on August 14, 2006 and accorded U.S. patent application serial number 10/589,456; and which claims priority to (1) Israeli patent application no. 160429 that was filed on February 16, 2004; and (2) international application no. PCT/IL2005/000191 filed on February 15, 2005.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56, and understand that this duty is continuous until this application matures into a patent.

I hereby claim foreign priority benefits under Title 25, United States Code, Section 119(a)-(d) or Section 365(b) of any foreign application(s) for patent or inventor's certificate, or Section 365(a) of any PCT International application which designated at least one country other than the United States, listed below and have also identified below, by placing a check thereby, any foreign application for patent or inventor's certificate or PCT International application having a filing date before that of the application on which priority is claimed:

- (1) Israeli patent application no. 160429 that was filed on February 16, 2004; and
- (2) international application no. PCT/IL2005/000191 filed on February 15, 2005.

I hereby claim the benefit under 35 U.S.C. Section 119(e) of any United States provisional application(s) listed below: NONE

I hereby claim the benefit under 35 U.S.C. Section 120 of any United States application(s), or Section 365(c) of any PCT International application designating the United States, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of 35 U.S.C. Section 112. I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, C.F.R. Section 1.56 which became available between the filing date of the prior application and the national or PCT International filing date of this application:

international application no. PCT/IL2005/000191 filed on February 15, 2005

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

POWER OF ATTORNEY: As a named inventor, I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and transact all business in the Patent and Trademark Office connected therewith. (list name and registration number)
